**New SCW clubhouse update.** On 2-8, the Governing Board agreed with the proposal from the SCW Softball Club to permit advertising on the softball complex, interior facing and field fencing. This would provide a method of fund raising to generate revenue for the construction of new scoring tower/rest rooms at Kuentz Field. Authorization was given to permit a new scoreboard through specific advertising on the scoreboard. The efforts of a few have made this new building a possibility, but now it will require the efforts of all the SCW membership to make it a reality. The meeting below will provide full details and drawings. PLEASE make this meeting "A MUST ATTEND" and adjust your schedule accordingly!

**Message from the President...Important meeting 3-18 for SCW members.** Matt Szydowski attended a Rec Center Governing Board meeting where a vote passed on our new clubhouse. This creates the need to have a meeting of all SCW members to discuss the means of financing the building and form committees to take action. Meet at the RHJ Lecture Hall on 3-18 at 10:00AM. This program will be successful only if all members participate. We need to pick your brains on matters of advertising, sales, marketing, writing contracts, donations, reviewing drawings, etc. Everyone can contribute. The result will be a proud legacy. Counting on you!

Dick LeMoine continues to be the project coordinator. He has worked with me and the governing board and staff diligently. Dick will take this project to its conclusion. Great work Dick!

**Get your tickets for the April 11 Annual Banquet.** Your manager will have the tickets for the banquet available for purchase, only \$8.00. Come and enjoy the fun and laughs. See the two new Hall of Famers being inducted. So mark your calendars – Thursday, April 11, from 11:00 to 2:00 at the Social Hall in Sun City West. For further info contact Jim McGuire. Our own Al Benedict, Master of Entertainment, could use you talented folks in the show. Call him at 546-8599.

**SCG "Green Machine" took the Spring Fling B League 2<sup>nd</sup> annual tournament** between 3/7 and 3/10. What great fun! There were 6 teams this year, but more are expected next.

**SC member dues to increase from \$25 to \$35 on 10-1-02.** This was passed at the 3/4/02 SC Board meeting. It's worth it!

**SC members of the Tri-City Softball team will pay \$10 per year effective immediately.** It's a great bargain too.

**Bleacher covers have been paid** with a final check of \$2000 to the Rec Centers from the SCW Softball Club.

**Team managers to play first place teams in season final.** The games will be on April 14, Sunday, in Sun City. National league will be run by Gene O'Boyle, Jack Borst and Ray Murphy. American league by Bob Luebben and Dick LeMoine.

**Dave Oliver is coordinator of summer league** that begins 4-16, ends mid September. Managers will have sign up sheets.

**New League rules committee** is chaired by Wayne Mitchell assisted by Ken Skinner, Frank Welch and Bob Mogan.

**New League Planning Committee** chaired by Wayne Mitchell with Dick LeMoine, Greg Johnston, Jack Borst, Jim Rabbot.

**A permanent Finance and Capital Improvement committee has been named in SC.** The chair is Bob Luebben, with Tait Douglas, Bob Morgan, Don Gault and Jim Rabbot. Luebben will be liaison between the SC Club and the Rec Center Board.

**Hang it up, but not here.** Do not hang your softball bags anywhere on the fences between the dugouts and home plate in front of the bleachers. Also do not stand in front of the bleachers blocking fans views. Thank you.

**If you stop playing ball, we want it in this Newsletter.** Sometimes players fade away without many members knowing. So call John Doherty, 544-8469, with the name and number of years played, if you or someone else is calling it a season. And don't forget to turn in your uniforms...many are missing.

**This is a class league...keep your jerseys tucked in please.**
