Editor's Note: Please join me and welcome Becky & husband Terry to our community, and softball family, and thank you both for sharing a part of your lives with all of us. ~ Dennis Farrar

## NATIONAL LEAGUE ANNUAL SPRING FLING TOURNAMENT

~ Bob Williams, NL Coordinator ~

The National League Spring Fling is an eight team double elimination tournament, which will be held at Liberty Field February 28 and March 1. This is not a fund raiser, but a FUN raiser just for the players in a carnival atmosphere. The "Fling" gives a taste of tournament play that a lot of our players don't normally experience. Current National League rules will apply.

All National League players are encouraged to sign up. **Don't sign up unless you are available both days of the tournament.**

You may sign up on line or on the signup sheets located in the Club House at Liberty Field. Signups will be closed when we reach 96 players. Managers selected will have a player draft to create the eight tournament teams. Team shirts will be provided.

The first place team will receive special Spring Fling championship T-shirts and then second, third and fourth place teams get token awards. Team pictures will also be taken of the top four teams. Hot dogs and soft drinks will be provided both days. We will be looking for volunteers for set up, cooking and clean up.

If you have questions, please contact Bob Williams at 566-2894 or you can send him an email at [kwill30680@cox.net](mailto:kwill30680@cox.net).

Mark your calendar now so you can be part of the fun! ★

## RAY TAKES A WALK

~ Ray Early, Retiring Liberty Field Manager ~

My decision to resign as Field Manager at Liberty Field was a difficult decision for me to make. The decision was made difficult by the fact that I enjoyed meeting and working with so many terrific people. People who volunteered their time and effort

to help make Liberty Field the place to be on game day. I want to take this opportunity to personally thank all of you who volunteered at the field. I also want to express my appreciation to those who worked with me in regards to field availability. By working together as effectively as we did, we were able to avoid conflicts and confusion. I want to also thank the Sun City West Softball Board members for working with me and to Dick LeMoine for having the confidence in me by asking me to perform this function and for giving me the opportunity to manage as I saw fit. And finally, many thanks to club members like you for helping make Liberty Field the place to be on game day, a place where friendships are made, a place where EVERYONE is invited to come early - stay late. ★

*Editor's Note: Thank you Ray for all the hours of service. We will all certainly miss you, and we hope we will see you at the ballpark from time to time. Best wishes and enjoy.*

## SUN CITY WEST BOARD

~ Bob Dobbins, President ~

As the incoming President of the Sun City West Softball Club I would like to take this opportunity to thank the out-going members of the board for their fine work while in office. Out-going members are Dick LeMoine, President, Tim Harmon, board member, and Jack Harrison, board member. Unless

you have served on the board, you can't imagine the amount of work that goes on behind the scenes and at the monthly meetings. When you see these people please give them a big "thank you".

I would also like to introduce you to the new incoming members of the 2013 board: Bob Dobbins, President, John McFarland, treasurer, and Ron Eppley, board member.

The 2013 Sun City West Board of Directors are:

President – Bob Dobbins

Vice President – Chuck Davelis

Secretary – Dave McCart

Treasurer – John McFarland

Board members:

Ron Eppley

Frank Welch

Art Roque

I am looking forward to working with past and present board members to accomplish many task before this board. My goal is to get everyone working for the best interest of the club. ★

## AMERICAN LEAGUE COMMITTEE

~ Bob Dobbins, Chairman ~

The American League Committee is hard at work evaluating new players and preparing for the Spring 2013 draft. The manager's meeting is Wednesday January 2, 2013 followed by the draft on January 9, 2013. We are expecting 13 teams for the spring session. I would like to thank all the managers who managed in the Fall 2012 session. If it were not for these people volunteering their time our program would not be as successful as it is.

The Fall 2012 session will end on Thursday January 17, 2012. The Spring 2013 session will start on Tuesday January 22, 2013 and end on Thursday April 11, 2013. Please remember, if you are at the ballpark and you see a new person observing our games, go up to them and ask if they are interested in playing. If they are, refer them to someone who can give them more information. Thank you! ★

## UMPIRES CORNER

~ Ken Skinner, League Chief Umpire ~

**Time Out!** Calling time out when the ball is back into the infield. When in the judgment of an umpire, all immediate play is apparently completed, the umpire should call time.

Note: When the ball is back into the infield an umpire should take a quick look if there are runners on base to see if the runners in attempting to advance or is just standing on the base. If there is no immediate play then the umpire should call time.

**Overthrows:** Runners are always awarded two bases on overthrows, which go out of play or become blocked as a result of hitting loose equipment belonging to or a team member of the defensive team that does not belong on the field. Regardless of who made the throw, two bases are awarded from the last base touched at the time the ball left the hand. Direction of runners has no bearing on the award. When an overthrow is made on a runner returning to a base, the runner is awarded two bases from that base.

**Game Control:** A common item for discussion among umpires is game management. The discussion centers around ways umpires can achieve a game without issues. Sometimes the discussion leaves out an important detail ... "Game Control". Game Control can be described as taking charge of an unusual situation before the situation results in chaos. A good tool for game control and game management is often referred to as "preventive umpiring". In fact, if umpires use preventive umpiring techniques then game control and game management would become easier. Therefore, good "Game Control" leads to good "Game Management". Umpires should not use the term game control as a tool for an umpire to be involved every situation occurring on the ball field. Game control should seldom, if never, be noticed: Example, if we have a batter-runner who starts to run to 1B thinking ball four has been awarded; the umpire should call "time" and bring the batter back to the plate. The same holds true with runners on 1B and 2B and the batter takes off for 1B thinking it is ball four causing runners to advance. To eliminate confusion for both the offense and the defense, the umpire should call "time." An umpire with good game control who gives a loud "time" can prevent the chaos before it gets a chance

to start. We get input from umpires around the country as to what game control should be. One idea comes from one of our best Men's Fast Pitch umpires, Jack Floyd. Jack says "Respect for the game and how it is played contributes to how well an umpire manages and controls a game." Respect for the game and how it is supposed to be played starts by being a "student of the game" and it lends itself to the umpire's ability to control a game that might otherwise get out of control. It is important for umpires not to interject themselves personally into the game. Success in game control is handling every situation without anyone knowing you were there. Developing these skills gives everyone a sense of consistency and fairness in how the game was managed. Another important part of Game Control is "credibility and integrity". These attributes are earned by an umpire every game. Teams, coaches, fans and even fellow umpires will see an umpire who can command and demonstrate their knowledge of the game as having credibility. Integrity comes from consistency; consistency in your calls as well as consistency in your approach to situations on the field. Teams and coaches learn quickly what umpires will or will not accept in the game you are working. Confidence is also a vital part of umpiring that an umpire will not find in the rule book. This confidence gained thru rule knowledge, observations of other umpires, clinics, camps and on-field training will allow the umpire to deal with situations that do not normally occur. The umpire must grasp the idea that if they cannot control themselves, then they cannot control the situation. They must remain in control to create control. If the umpire loses control of themselves then they may just as well walk off the field as they have lost their ability to control the game. As you can see knowing when to step up and control a situation is not always easy. Learning how and when to control a game comes as a result of hard work honing one's skills as an umpire. The umpire should realize that they are only as good as their last game, and they should never be satisfied with their past performance on the field. It is impossible for anyone to describe all the situations in which an umpire can use good game control techniques. However, an umpire that realizes that the game is for the players and if they do not play we do not get to umpire. We, the umpires, are there to insure that the game is played fairly under the ASA rules. If we see something unusual developing, we should read the situation, and, if an umpire needs to take control before chaos begins, do so. You will be a better umpire for it. ★

## NATIONAL LEAGUE COMMITTEE

~ Joe Emmons ~

The table below lists new National League players for the fall session as of 12-15-12. The session will continue until 1-4-12. Five games remain in the session, followed by the Desert Classic tournament the final two weeks ending the session on 1-18-12.

The table includes columns that indicate the disposition of each individual as they passed through the Green Team before and during the session.

The contribution of the new players to the NL rosters has been instrumental in continuing to field 18 teams, while replacing nine (15) drafted players who have been unable to finish the session. The new players were also supplemented with four (4) players returning from medical impairment.

There are still 10 teams who are waiting for their 11th player in the original draft order. Fortunately, the idle 6 teams have proved to be sufficient to meet the substitution demands of the teams. We thank the idle team players who support the play of other teams. ★

## ANGELS FLYING HIGH! 2012 TOY DRIVE RESULTS

~ Kay Williams, Chairperson ~

You hit a Grand Slam this year! Thanks to your amazing generosity we had the most successful toy drive ever!!!

It was my pleasure to coordinate the drive again this year. I would like to give you a brief history of how our toy drive has grown since 2007.

- 2007 20 bags of toys, \$250 cash
- 2008 23 bags of toys, \$193 cash
- 2009 26 bags of toys, 2 bicycles, \$300 cash
- 2010 27 bags of toys, 2 bicycles, \$300 cash
- 2011 37 bags of toys, 2 bicycles, \$900 cash
- 2012 35 bags of toys, 3 bicycles, \$1,331 cash!!!**

The cash was used to buy children's jackets, warm-up suits, sweatshirts and pants that are distributed to needy children in 5 of the poorest elementary schools in Maricopa County. I went to Fry's, Basha's and Albertson's and bought **40** \$25 grocery store gift cards (**\$1,000**) for needy families. Your generosity will put smiles on many children's faces in the west valley this holiday and food on a lot of tables who weren't sure where their next meal would come from.

This year's donations were distributed to children and families served by Dysart Community Center, Maricopa Integrated Health Systems, Nadaburg School, Wittmann Community Center, and a veteran's group that provides assistance to the families of deployed service men and women and the VFW.

My sincere thanks and appreciation to the following Angels who worked at the toy drive December 4 and 6 at Liberty field and helped set out all the toys at the Women's Club Thursday afternoon: Carol Davelis, Pam Willie, Carol Rigsby, Joyce Kuhn, Judy Raczak, Ann Mitchell, Sherrie Marchetti, Jan Peterson, Pam Asan, Ruth Renberg, Gladys Harrison, Linda Swanson, Elaine Boldt, Karen Downes, Dottie Colli, Sylvia Johnson, Lorraine Frey, Eileen Myers, Ginger Welch, Bev Sandberg, Sheila Cooke, Sharon McAndrews, Carol Ottum and Sally Wicketts.

Thanks to all our players, spouses and fans for opening your wallets and your hearts, once again demonstrating the generous spirit of Sun Cities softball players! ★

**YOU ARE "FAN-NOMENAL"!**

# HADDY BREAKS A CROWN

~ Ron Eppley ~

The DENTIST billboard sign in left center field was hit with a fly ball from home plate in November. This was the first time this billboard was hit this year. Wayne Haddy who plays on the Canyon State team in the National League was the person that hit the billboard. At a small ceremony at Liberty Field on Thursday December 13th, Mr. Mike Saini from AZ Smiles Dentistry presented Mr. Wayne Haddy with a \$50.00 check. Congratulations Wayne! ★

## HALL OF FAME

~ Linda Graham ~

Hall of Fame Nominations are Due January 20th

Do you know a fellow club member who deserves to be in the Sun Cities Softball Hall of Fame? The club member must have been in the league for 7 full years (member since 2005 or before) and made contributions to the league above and beyond. This service might include such things as serving on boards or committees, managing, running special events, or making other significant differences for the league. Even if you think someone else has probably already nominated a member, your additional input is welcome. Please fill out a nomination form (included in this newsletter) and return it to Linda Graham or place in the Liberty Field mailbox by Jan. 20, 2013. ★

## FIRST ANNUAL CHRISTMAS PARTY WRAP-UP

~ Nancy Dobbins ~

It was damp and rainy, but that did not stop the 107 club members and their spouses or significant others from attending our first annual Christmas Party. The evening started with a cocktail hour followed by a delicious dinner of either chicken marsala or prime rib. The 8 Tracks Band played music quietly in the background during dinner. The dancers in the group were so anxious to get on the dance floor that they didn't even wait until dessert was served. We danced to the 50's and 60's music for three hours. What a blast!

A special thank you goes out to Drew and Aaron from Pinnacle Financial Services. Their donation enabled us to go out and buy many door prizes. These prizes were given out throughout the evening. A thank you also goes out to Kay Williams. She assisted me in planning the party. I want to thank Carol Bowden as well for her willingness to choose and pick up the wine that was given out as door prizes.

Good food, good music, and most of all good friends, I can't think of a better way to celebrate the holidays. Thank you all so very much for making this an evening to remember. ★

## WOMEN'S LEAGUE

### Hot Flashes

~ Carol Bowden ~

The women's team plays the first 2 Saturdays of each month + a few extra games against interesting opponents.

We have defeated Sun City Grand and the Sassy Sisters from Surprise. Our only loss in the early part of this season was to Ozzie (Ostrow) & the "Half-Pints."

We continue to strive to be better, practice with renewed energy and encourage each other. The team managers, Judy White and Bev Burger, are constantly working on our skills. We are appreciative of our sponsors, Arvid and Kay Peterson, and all the support we get from our loyal fans. Our games start at 10 a.m. on Liberty Field. Look on the web page for updates. ★

# AS I SEE IT!

~ Dennis Farrar ~

Well, another year has gone and a new one is coming on. Time seems to just be flying by with so much softball to be played. I hope that you are ready for another one and tax day is just around the corner.

I would like to thank Ken Skinner for his "Umpire's Corner" article this month. It's been awhile since he has put anything in the newsletter and I hope that all of you read his worthwhile contribution. I hope that Ken will get an umpire's clinic going soon and that all of you will attend. I've been to many of this clinic already and like going to them. I always come away with more knowledge about the game. They are usually on a Saturday. When you see Ken ask him about this and I know you will enjoy them and you will come away with a more respect and love of the game. I know that we have the rule book but I believe that Ken's clinics are the "icing on the cake" and they are FREE.

Looking at the statistics it is apparent that we are getting more and more new players in our program. How many more players will be able to absorb in the National League before some substantial changes have to be made? The AL & NL are way out of balance. Some of you already know my thoughts on this one so I won't elaborate as there is not enough space in this newsletter to go into the details. More and more baby-boomers are getting involved in our softball league and I'm sure that the club boards will have to address this issue before long.

No New Year's resolutions for me this year because as I age I'm getting more and more forgetful and can't remember what they are. I'm guessing if you make one, you will probably forget too.

Congratulations to all the newly elected officers for the association and clubs. I hope that all of you will get out and support them and voice your concerns and wishes to help make our softball program a better and moreover a SAFER place to play.

Welcome to all the new players. I hope you have had a chance to check out the videos on the web site. Just go to the website at [www.azsrssoftball.com](http://www.azsrssoftball.com) or go to the link directly at [www.youtube.com/azsrssoftball](http://www.youtube.com/azsrssoftball) and give a look. If you have something you think would be of interest to the clubs and would like to have me shoot it; let me know and I will try to accommodate your wishes. This is an excellent tool to give those of us who can't make an event to watch it on video. I believe we all should strive to make our web site better and interesting.

Finally, my wife Terese and I would like to wish you and your families a safe and prosperous Happy New Year and we look forward to seeing you behind the plate.

That's how I see it! Have a good game and get home safe.

## FOOD BANK

~ Carol Bowden & Julie McGlynn ~

The food bank donations are moving along at a snail's pace, but are steady. We have not attained 100 pounds yet.

There was an article in the AZ Republic dated Nov. 24 and titled "West Valley gives most generously." Someone has tracked which zip codes top the donations lists. In the west valley, Sun City West (85376, 85375) and Sun City (85351) ranked 1, 2 and 3! In all of the valley, #1 was Sun City West (85376), #7 was Sun City West (85375) and Sun City (85351) was #9.

With all the senior citizens in these 3 zip codes, many on fixed incomes, I am not surprised to find the need to share! We have always taken care of each other and responded to the need of others. We are an amazing group of friends, acquaintances and strangers who feel the need to offer assistance, no matter the situation. Bless all of you for your good deeds! A pat on the back is not given often enough.

In **January**, we will be collecting **cereals and breakfast items**. Give what you can, give as often as you can and thank you for everything! ★

## RAY THE SUPER

~ Hugh Kelley - 2012 ~

The voice was rich and clear  
Coming from the booth above.  
Welcome to Liberty Field  
The words we've grown to love.

We called him Superintendent  
Although he got no pay  
We knew who made it happen  
The man we all call Ray.

He saw to every detail  
His starting early morn  
Like game day having coffee  
And later on the popcorn.

He got the banners hung  
And the bunting on the wall  
By opening day he'd have  
Miss Liberty standing tall.

No task was left undone  
Since the job was filled by Ray  
Our heartfelt thanks and gratitude  
Is the least that we can say.

His passion for the job  
Were in words he'd always state  
On game day at the field  
COME EARLY AND STAY LATE.
