Minutes of the October 9, 2006 were read and approved. Linda Graham was added as a nominee to the American League Board and will be on the ballot.

Treasurer's report was read and approved.

COMMITTEE REPORTS

Field Maintenance: Work was done between first and second bases to make the ground harder. We will contact Jim Wellman of SC to obtain a screen behind the batters box to assist players to see the ball easier when it comes off the bat. We will also request a covering on the top of the fence to prevent injuries when running into the fence similar to the ones at Liberty Field.

Awareness: The extravaganza at the Bell Center on Oct 28 was a success for the club with 8 or 9 possible players getting information and registration forms. Bob Williams and his wife will be providing the summaries for the Daily News in the National League.

Sponsors: All have paid

Equipment: We have enough balls for session. Keys have been distributed to 7 players and the names and phone numbers are on the bulletin board at the field.

OLD BUSINESS

A sample of the new league hat will be available soon with delivery in mid-December.

Elections for Directors will take place at the Sun City Field during League Play for each League—Tuesday for the National and Thursday for the American. Votes will be tabulated after the last game on Thursday.

NEW BUSINESS

The Green Team and its function to evaluate all players of the League will remain the same even though Sun City West will have some special games on Monday at the Liberty Field to evaluate only the SCW players.

We recommend to the League Board that because of the anticipated increase in the number of players arriving for the Spring Session we increase the number of teams to 14 in each League with no byes each game. Therefore we would be playing seven games each day instead of six. If necessary because of lack of daylight, other minor changes can be made to the game such as not playing off tie games, shortening the game to six innings, starting with a one and one count or allowing 55 minutes per game.

The Board voted in favor of selling 2007 calendars that includes a raffle. The cost is \$20 and \$4 of that goes to the Softball Club. Each purchase of a calendar gives you a raffle ticket. Each day of the year a drawing is made for \$30 with Fridays drawings worth \$40, \$500 or \$1000. All Board members and several other Club members have the calendars to sell. They make great gifts to children or grandchildren. One month features our Softball Field. Other months show other activities in Sun City. This is also a fundraiser for the Visitors Center that needs to raise its own money. They send out over 5,000 packets per year to those inquiring about living in Sun City.

The next meeting is December 11 at 9:00 a.m. at the Bell Recreation Center Team Meeting Room.

The meeting was adjourned at 11:00 a.m.
