16" TOURNAMENT – March 22 Club will supply the balls. More info later.

PROPER UNIFORMS FOR GAMES – Managers should make sure players wear club issued uniforms only.

FIELD FEEDBACK – All comments were positive. Jim Smith asked for a wider home plate. A white powder-coated metal plate is on order and will be installed soon. The fountains in the dugouts are great.

OTHER - Arnie is developing a duty list for the field. Jim Smith asked for clarification on the "batting out of order" rule. (Official scorekeepers' responsibility.) Don Kucharek asked about a possible sun screen on the fence behind the plate in the early games. Julie said that the white & blue hats with the club logo were on order and would be in soon. Larry Kuberka wanted to know who does infield maintenance now – RCSC or the club. (Under discussion) The new jerseys and bright colors have been a hit with the players. Someone recommended using a different spot for batting practices; Arnie said the batter's box would be easy to replace.

Adjourned at 7:28.

Respectfully submitted,

Julie McGlynn
