RE: CO- ED SOFTBALL LEAGUE

This letter is to confirm the continuation of the Co-Ed Softball League in its current format, under the umbrella of the SCW Softball Charter Club. It is our understanding that the league is a co-mingled league with Sun City and Sun City West residents only.

It is further our understanding that some of the games are played and will continue to be played both in Sun City and Sun City West. We do understand that the majority of games are played in Sun City West.
