

2025 CL Spring Fling Rules

7 inning games

4 runs max for innings 1-6, 6 run max in the final inning. If one team is ahead by more than 6 runs the last inning is not played

60-minute games, if time expires in the 5th, the 6th inning will be the final inning

1&1 count with one to waste

Ties will be played out. Start extra inning with a runner on second base. No pinch runner, last batter from previous inning

If a player needs to miss a game, Managers will find a sub that is rated the same # as the player being replaced. All subs must come from the CL registered players that are not playing in the tournament.

Managers provide one line up to announcer and one to opposing manager

Should any items come up that are not covered in the rules or need to be considered the three-person committee will determine what will happen. Their decision is final.
